

WHICH PROGRAM IS RIGHT FOR YOU?

Rowan University

GRADUATE SCHOOL OF
BIOMEDICAL SCIENCES

+ DEGREE OFFERINGS

	Professor in Professional School or University	Physician Scientist	Professor or Instructor at 2-year college	Lab Director (Principal Investigator)	Histopathology Lab Manager	Lab Research Assistant	Medical School/ Allied Health Career	Research and Development	Anatomy Instructor
Ph.D. in Cell and Molecular Biology	✓		✓	✓				✓	
D.O./Ph.D. in Cell and Molecular Biology	✓	✓	✓	✓				✓	
M.S. in Cell and Molecular Biology			✓			✓		✓	
M.B.S. in Biomedical Sciences Certificate in Biomedical Sciences			✓			✓	✓		
M.S. in Histopathology			✓		✓	✓	✓		
M.S. in Molecular Pathology and Immunology			✓			✓		✓	
M.S. in Anatomical Sciences Certificate in Anatomical Sciences (for Ph.D.)	✓		✓				✓		✓

+ DEGREE OUTCOMES

- » **Ph.D. in Cell and Molecular Biology**
Learn cutting-edge cell biology, molecular biology and neuroscience training, and have an opportunity to become a student publisher
- » **D.O./Ph.D. in Cell and Molecular Biology**
Conduct biomedical research and gain medical school training
- » **M.S. in Cell and Molecular Biology**
Experience a curriculum that prepares you for a doctoral program, a career in academia, or biomedical research
- » **M.B.S. in Biomedical Sciences**
- » **Certificate in Biomedical Sciences**
Prepare for medical school and other health-related professions through a comprehensive curriculum
- » **M.S. in Histopathology**
Gain hands-on experience using in vivo models and primary tissue to prepare for a career in histopathology
- » **M.S. in Molecular Pathology and Immunology**
Prepare for a career in molecular diagnostics
- » **M.S. in Anatomical Sciences**
- » **Certificate in Anatomical Sciences (for Ph.D.)**
Prepare to teach gross anatomy to medical students and other allied health students
